

Financial Blessings

Anything is possible if you believe ~ Mark 9:23

1. Starting today, I take full responsibility for my financial future
2. I live a debt free lifestyle; I owe no man nothing except to love him in Christ
3. When I give (wisely) to others, God gives back to me
4. Because I tithe, God gives me blessings that I don't have room enough to receive
5. My checking accounts, savings accounts, and investment accounts maintain positive balances at all times
6. There will be no unexpected bills or surprises that me and God cannot handle
7. I have more than enough to pay my bills, donate, save, invest, and travel
8. I am a good steward; I make wise spending decisions
9. I keep good financial records; I pay all of my bills on time
10. My financial affairs are getting better everyday
11. My income is consistently increasing
12. My credit score is improving everyday
13. God wants me to prosper, therefore I will work hard to succeed
